

Development Partners Group

GoT and DP Intro Seminar
September 15 2011

Development Partners Group

- Formalized in 2004 from local Development Assistance Committee (DAC) to shift from information sharing to actively seeking best practices in harmonization and alignment
- Apex coordination organization of the DPs in context of the Paris Declaration on Aid Effectiveness and the JAST.
- DPG seeks to:
 - Information sharing
 - Strengthen quality of dialogue with GoT
 - Promoting internal coherence and quality of policy dialogue through better coordination of DPG Main and DPG sub-groups

Composition of the DPG

- DPG Main Group co-chaired by UN Resident Coordinator/UNDP Resident Representative as a permanent chair and rotating bilateral agency (currently Germany)
- Includes 17 Bilateral and 5 Multilateral Agencies
- DPG Structure consists of the DPG Main Group (at HoCs/HoAs level), and 19 Sector/Thematic Working Groups
- Where possible, DPG seeks to participate in government-led groups and build government capacity to coordinate development activities
- The finalized Division of Labour between DPs has aligned DPG structure to official Dialogue Structure.
